

# The ASRT Foundation Building a Stronger Profession

The ASRT Foundation exceeded its goal of \$140,000 in unrestricted donations. Members contributed part of that funding through the monthly giving program, which secured \$8,200 in unrestricted annual donations by the end of fiscal year 2017.

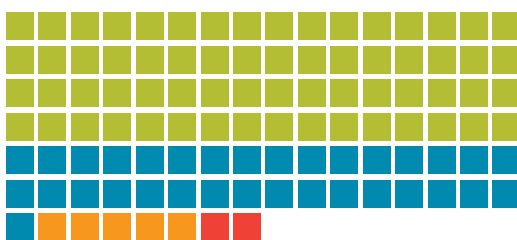

## Your Foundation at Work for Technologists and Students

The ASRT Foundation provides radiologic technologists and students with financial support so they can achieve their professional and academic goals. In fiscal year 2017, the Foundation gave more than 100 scholarships and grants, totaling more than \$347,000 in awards.

In addition to the highlighted initiatives, the Foundation administered several additional programs that enriched the professional growth of R.T.s. and enhanced workplace safety.

Take pride in knowing that your Foundation is building a stronger profession.
