FOUNDATION®

INTERNATIONAL OUTREACH

In FY 2018, members used their expertise to improve health care at facilities in Ethiopia, India, Kenya, Laos, Liberia, Malawi, Nepal, Tanzania and Ukraine.

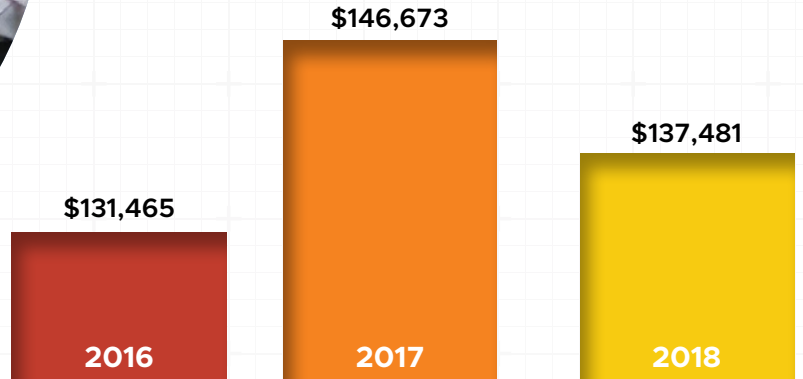

The Health Care Industry Advisory Council celebrated its 20th anniversary in FY 2018.

A Stronger Foundation

The ASRT Foundation raised **\$137,000** in unrestricted donations. Many members contributed part of that funding through the monthly giving program.

Positioning to Help Technologists & Students

The ASRT Foundation provides radiologic technologists and students with financial support so they can achieve their professional and academic goals. In FY 2018, the Foundation gave more than 80 scholarships and grants, totaling more than **\$275,311** in awards.
